

0. Introduction

Introductory Questionnaire

This Questionnaire aims at helping you explore your profile as a teacher, as well as your teaching context, before engaging with the materials and activities of the ENRICH CPD Course.

Question 1

Please provide some information about yourself. Refer, for example, to:

- Your nationality and country where you live and/or teach
- The subject(s) you teach
- Your age and typical qualifications (e.g., bachelor's degree)
- Your teaching experience (e.g., years, teaching contexts...)

Question 2

Please describe your teaching context (e.g., the school where you teach). Refer, for example, to:

- The region or area (e.g., rural area, island...)
- The kind of teaching context (e.g., state school, one-to-one tuition...)
- Any specific requirements there are (e.g., a specific curriculum)
- Any specific challenges there are in your context (e.g., conservative school culture, parents' expectations...)

Question 3

Please describe the learners you are currently teaching. Refer, for example, to:

- Their age (e.g., teenagers, adults...)
- Their levels of proficiency (e.g., B2 based on CEFR)
- Their goals and expectations (e.g., to be able to use English at work, to obtain a specific certificate...)
- Their language needs (e.g., to use English more spontaneously...)
- Their use of English inside and outside the classroom (e.g., where they use English, how often, with whom...)
- Their views and beliefs (e.g., about English, effective communication...)

Question 4

Have you ever attended another course or seminar focusing on the topics of the ENRICH CPD Course (e.g., ELF)? If yes, please briefly describe it. Refer, for example, to:

- Its title and the main issues it focused on
- Whether you found it interesting enough and why
- Whether it helped you as a teacher and how

Question 5

What motivated you to engage with the ENRICH CPD Course? Put a tick in the option(s) which come closer to your views.

- 1. The Course covers topics which sound interesting enough.
- 2. I want to enhance my knowledge and/or skills regarding the topics covered in the Course.
- 3. The topics of the Course sound relevant to my learners' needs.
- 4. I may gain knowledge and/or experience which may be useful to me in my teaching practice.
- 5. Engagement with the Course is free of charge.
- 6. I can engage with the Course online, at my own pace.
- 7. I am generally interested in learning new things.
- 8. Other (Please specify below)

Question 6

Please describe your views and feelings before engaging with the ENRICH CPD Course. Refer, for example, to:

- Any expectations you may have from the Course (e.g., in relation to your own training needs...)
- Any concerns you may have or any issues that may worry you (e.g., about the self-study mode of the Course...)
- Any plans you may have that may facilitate your work (e.g., how you may organize your study, how you may manage your time...)

Thank you!

**We wish you a nice, fruitful and enriching journey
throughout the ENRICH CPD Course!**
